

The FCC should not implement any proposal that would lessen Indiana's Telephone Privacy Law protections. The law has improved my time at home by eliminating unwanted telephone calls. Sales calls mostly came at inconvenient times. I used to get 3-5 calls per day, now I do not get any, for which I am most pleased. I believe Indiana's law is important. If I wanted one of the services these calls offer, I know how to use a phone book to look them up and call them myself.
